The Capistrano Valley High School Foundation is teaming with local restaurants for the first ever Taste of Capo on October 21, 2010 at CVHS at 6.30 pm - 8.30 pm in the CVHS Mall. Local restaurants have donated their finest food to help support CVHS students.

"It's going to be a fabulous night for our community - a truly special culinary event. There'll be incredible food, fun and music. We all like to go out to eat. At the Taste of Capo there will be 18 local restaurants serving their finest food under one roof. The community and the parents and students from CVHS won't want to miss this event," said Sharon Campbell, the President of the Foundation. "It's not just for parents and students - CVHS is the largest high school in Mission Viejo - 77% of our students are from Mission Viejo - we'd love the whole community to attend!" she added.

Tickets for the Taste of Capo are just \$15 before the event and \$20 on the day. Tickets can be purchased at the school.

The Foundation, relaunched earlier this year, has already made significant progress in supporting CVHS. Donations from parents and the community have allowed the Foundation to fund School Loop - a *daily* communication to all students and parents with information on grades, homework and school events and more.

"School Loop is the center of every family's communication with the school. Parents and students can't live without it and we were delighted to be able to fund this incredibly important tool for our students. It was \$10,000 well spent," added Campbell.

In addition the Foundation organized the donation for ten gently used computers from the Cal State system. "Funding technology purchases is one of the highest priorities for the Foundation. Having these computers donated was a great start," said Campbell.
