Supporting the Cougar Community for Today and Tomorrow

Our Mission

The Capistrano Valley High School Foundation provides financial support for projects and facilities, answering the challenge of reduced public school funding. Working with past, present and future students and their families, local businesses and the community, the Foundation is dedicated to enhancing the educational experience for all CVHS students.

CVHS

Capistrano Valley High School opened in 1977 with one main building and 1,300 students. Today the school has nearly 3,000 students. As one of the oldest schools in the District, it continues to play “catch up” with technology and other amenities enjoyed by most other high schools in the district and in the county.

CVHS Foundation

The Capistrano Valley High School Foundation is a non-profit organization staffed by committed volunteers – parents, alumni, and community members.

What we do

The Capistrano Valley High School Foundation is dedicated to raising funds to support the needs of Capistrano Valley High School by:

- *Providing financial support for projects and facilities*
- *Answering the challenge of reduced public funding*
- *Enhancing community relations and support with local businesses*
- *Working with parents, the school and the community to enhance the educational experience for CVHS students*
- *Soliciting financial support*

Funds raised will be used to make CVHS a world class high school, and help ensure that all students receive the skills and opportunities to help them succeed.
