

CVHS Foundation

Dedicated to enhancing the educational experience of all students.

*Our **mission** is to enhance the educational experience of all students allowing them to excel and achieve their full potential; to ensure that students have access to premier facilities and enter adulthood as leaders and competitive members of the 21st century.*

What Do We Do?

The Foundation has contributed over \$100,000 in the past three years to school projects.

- **STEM:** The foundation has purchased computers, Chromebook and carts, graphing calculators, media equipment for the mall, an innovative curriculum for biology classes and science lab equipment.
- **Arts:** We purchased the grand piano, the Vendini electronic ticketing system for the Performing Arts Center, electric pottery wheels for ceramic classes and new digital cameras for the photography class.
- **Student Recognition:** Last year we awarded 5 senior scholarships and recognized students in grades 9 through 12 with Outstanding Leadership and Service Awards.
- **Advocacy:** The Foundation also advocates on behalf of CVHS students and the school by representing our school's interests at the district level.

What are our Goals for 2017/18?

- **The Cougar Center:** The Foundation has committed to working with the school to plan and fundraise for the student-driven initiative – **The Cougar Center Project**. The library will become a welcoming environment for all students where they can study, recharge devices, work on group projects or relax. **The Foundation will match new donations made at registration up to \$10,000 for this project. The foundation has already committed \$5,000 for rewiring and electrical upgrades.**
- We will continue to provide monetary support for STEM , Fine Arts and Music for programs and purchases that enhance the learning environment for our students.
- We will continue to offer grants to teachers for purchases that meet our mission statement.
- We will look to increase the number of scholarships that we provide seniors.

How Can I Help?

- **Make a tax-deductible donation** to help make CVHS the premier high school in the district. In addition to **The Cougar Center Project** there are many additional programs and purchases that we would like to provide for our students. We need your \$200 donation to reach our goal of \$30,000 at registration! You can select the programs you would like to support to make the biggest difference to your student. **100% of your donation goes back to CVHS students and we accept company matching donations.**
- **Parents of Seniors** consider leaving a legacy for your student with either a purchase of an **Individual or a Group Class of 2018 Graduating Plaque** to be placed in the foyer of the Performing Arts Center.
- **Gold Cards** and raffle tickets for **parking spaces** and **yearbooks** are also available for purchase.
