

CAPISTRANO VALLEY HIGH SCHOOL FOUNDATION AWARDS

The CVHS Foundation wishes to recognize students who have demonstrated consistent and outstanding dedication to making their school and/or community a better place through the CVHS Foundation Outstanding Leadership Awards and the CVHS Foundation Outstanding Service Awards.

The Foundation will award an Outstanding Leadership Award to a CVHS student from each grade, 9 through 12, who exemplifies leadership through campus and/or community involvement. The recipient of the award, through their leadership role, will have helped the school and/or community envision a better future and lead others to carry out that vision.

The Foundation will also award an Outstanding Service Award to one CVHS student from each grade, 9 through 12, who has demonstrated consistent and outstanding dedication to making their school and/or community a better place through selfless service and volunteerism.

Students may apply for the award or be nominated by teachers, administration, parents, or a community leader. Applications are available from the CVHS Foundation website: www.cvhsfoundation.org.

Applications are due Monday, March 4, 2019.

Winners will be selected by a committee of community representatives.

The awards will be presented at the Capistrano Valley High School Achievement Awards ceremony in April.
